PO BOX 591 RIVERTON UTAH 84065-0591 WWW.CLASSICPLAYINGCARDS.COM SERVICE@CLASSICPLAYINGCARDS.COM

Custom deck options:

Size of card: Poker size (2.5" × 3.5") or bridge size (2.25" × 3.5")

100% plastic stock: 29 mm or 31 mm with smooth texture; 300 or 330 microns with textured plastic; deluxe plastic acetate. Samples are available.

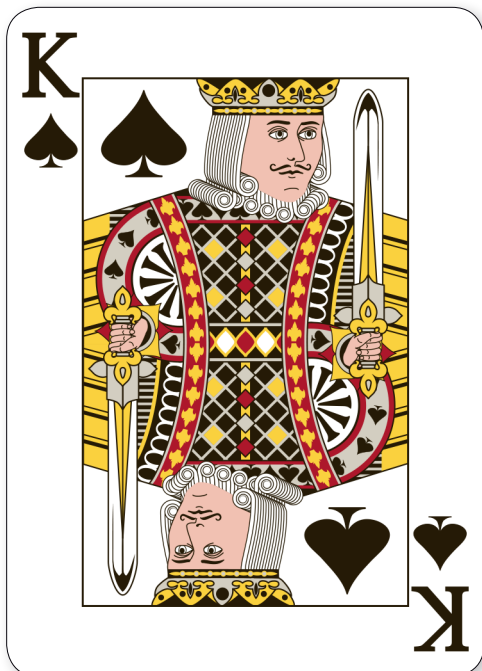

Plastic Coated Embossed Paper: 300 to 320 gsm.

Back color: Many colors from which to choose and we can tailor it to be one of the many Pantone color options to match to your casino color theme. Logos can be included on the backs as well. All logos should be in hi-resolution vector file formats or from a high-resolution PDF.

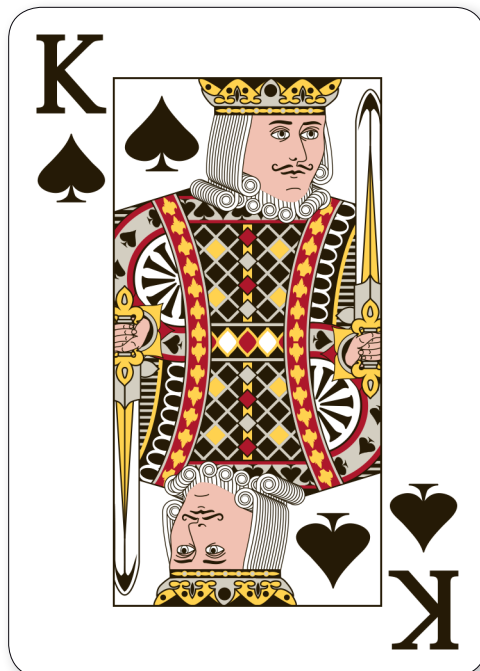

Index styles: Regular and large faces are available in 2- and 4-pip indices. Below are examples of the Regular Index, Blackjack Index (**available only in Poker Size**), and Jumbo Index.

Back designs: Available in both bridge and poker sizes. Logos can be placed in oval, circle, square, diamond, rectangle shapes, or simply on the back with an outline, whichever works according to your preferences. For added security, these back designs are specifically designed and available for casinos or leagues exclusively. See designs on pages 2 and 3.

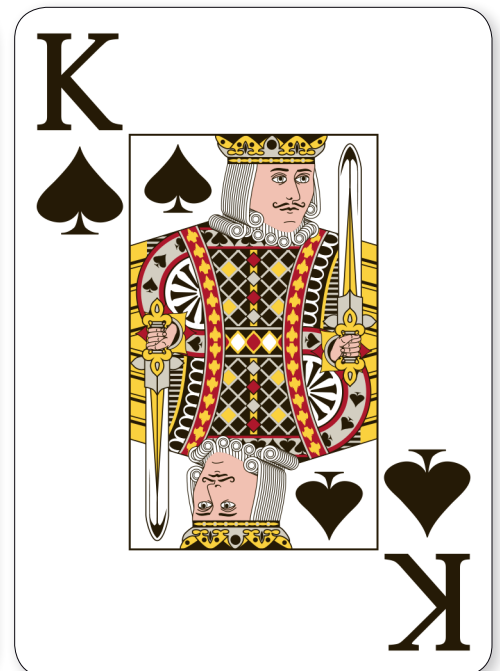

Minimum quantities for plastic decks are 1000 sets (2000 decks total) per back design and/or color. If you have any questions or concerns with any of the options presented, or if you would like to receive a price quotation, please contact Design. We'll be happy to answer any concerns and/or questions that you might have.
