Replacement Cards

If your new deck is defective in any way, such as a misprint, missing card, or otherwise, please send the deck back along with this completed form for a replacement to the address above. If a card breaks or is lost, Desjgn will be happy to replace the defective and/or lost card as well. Please return the defective card(s) along with your shipping address and the completed form to the address above in order to receive replacements. Desjgn does not replace cards or full decks due to extensive use where the inks are fading, improper storage, or misuse.

Reason for replacement: _____

Please check the box next to the card you need replaced:
