Replacement Cards

If your new deck is defective in any way, such as a misprint, missing card, or otherwise, please send the deck back along with this completed form for a replacement to the address above. If after extended use a card breaks or becomes unusable, Desjgn will be happy to replace the defective card as well. Please return the defective card(s) and the completed form to the address above in order to receive replacements.

Reason for replacement:_____

Please check the box next to the card you need replaced:
